

Christ Church, Perry Street, Billericay

CORONAVIRUS MEANS NEW WAYS OF DOING CHURCH!

Sunday Church Services might have been suspended but there will still be a Service every Sunday at 10 a.m. and you are invited to join us via our Facebook page

The Coronavirus pandemic does not mean that "Christ Church is closed" - far from it!

Sunday Services

We are streaming a Service every Sunday, which has been recorded in the homes of the individuals who are taking part. This Service will be uploaded and ready to view on the Christ Church Facebook Page on a Sunday morning at 10 a.m., so you are able to watch the Service in your own home. You may want to have a bible ready and also light a candle before the start of the service.

The link for the service is: <https://www.facebook.com/groups/4279452124>.

If you are not signed up to Facebook, complete the sign-up on <https://facebook.com> and validate your account by entering the code which Facebook will email to you. Then paste this url, or click on it to open in a new window. If you are already a member of Facebook, but have not joined the Christ Church group, then just click on the "Request to Join" button on our Facebook page. You do not have to be part of the Christ Church group to see the content, but you will have to reload the page to see the broadcast start <https://www.facebook.com/groups/4279452124>.

Messy Church

We are presently exploring the possibility of streaming a Messy Church for families and young children to take part in on the first Sunday of the month. We will update you when this becomes available.
